

Thea Bowman Leadership Academy

January 25, 2025

Dear Thea Bowman Family,

At Thea Bowman Leadership Academy, the safety and well-being of our scholars and staff remain our top priority. As we enter the winter season, we want to take this opportunity to remind families of our school cancellation and weather policy.

In the event of adverse weather conditions that require us to close the school building, please be aware that these closures will necessitate a make-up day. Make-up days will be added to the end of the academic year to ensure that our scholars receive the full educational experience they deserve.

We understand that unexpected school closures can disrupt family schedules. We will do our best to minimize these disruptions while prioritizing the safety of everyone in our school community. In the case of inclement weather, notifications about school closures will be communicated promptly through Parent Square, Website, RoboCall, and local news outlets.

Thank you for your understanding and partnership as we work together to provide the best possible learning environment for our scholars. If you have any questions or concerns regarding this policy, please feel free to contact the school office at 219-944-3100.

Sincerely,

Marlon R. Mitchell, PhD

Superintendent
