

Thea Bowman Leadership Academy

Dear Eagle Family,

Thea Bowman Leadership Academy has partnered with Comcast to offer internet access to our scholars for a reduced cost of \$14.95 per month. "Internet Essentials," a program offered by Comcast that provides high-speed internet access to eligible families. This program can be particularly beneficial for your children's education, giving them the ability to access online learning materials and complete assignments easily.

Access to the internet at home is essential for scholars at Thea Bowman Leadership Academy to achieve academic success and fully engage in 21st-century learning. Reliable internet connectivity empowers scholars to complete homework, conduct research, and utilize digital tools that enhance their understanding of core subjects.

It also ensures continuity of instruction during e-learning days, enabling students to access virtual classrooms, instructional materials, and interactive resources. Equipping scholars with internet access at home helps bridge the digital divide, supports equitable learning opportunities, and fosters the development of critical skills needed for future academic and professional success.

How to Apply:

1. Visit the Internet Essentials website:

<https://www.xfinity.com/learn/internet-service/internet-essentials>

2. Provide necessary documentation verifying your eligibility
3. Complete the application process

This program is designed to help bridge the digital divide and ensure all students have access to the internet. If you are interested please apply today to get connected.

Sincerely,

Marlon R. Mitchell, PhD
