**February 5, 2025**

**Dear Eagle Family,**

We hope this letter finds you well. As part of our commitment to providing a high-quality digital learning experience, our scholars utilize online classroom applications and workspaces to support their education. To ensure their continued access to these resources, we require all parents/guardians to review and sign our **Online Security Waiver**.

This waiver is essential in granting your child permission to use the educational technology platforms that enhance their learning experience. The waiver outlines important security measures and digital policies designed to protect our scholars while they engage in online learning.

## **How to Access and Sign the Waiver:**

- A **printed copy** will be sent home with your child.
- You may **download and complete** the waiver on our school website:  
<https://theabowman.org>
- The waiver is also available on **ParentSquare** for your convenience.

We kindly ask that you review and submit the signed waiver as soon as possible to avoid any disruption to your child's access to classroom applications. If you have any questions or need further assistance, please contact the school office.

Thank you for your cooperation and continued support in creating a safe and productive learning environment for our scholars.

Sincerely,

*Marlon R. Mitchell, PhD*
