Dear Eagle Family:

At Thea Bowman Leadership Academy, we use Google Workspace for Education, and we are seeking your permission to provide and manage a Google Workspace for Education and Online Support account for your child. Google Workspace for Education is a set of education productivity tools from Google including Gmail, Calendar, Docs, Classroom, and more used by tens of millions of students and teachers around the world. At TBLA, scholars will use their Google Workspace for Education accounts to complete assignments, communicate with their teachers, sign into their Chromebooks, and learn 21st century digital citizenship skills.

I give permission for Thea Bowman Leadership Academy to create/maintain a Google Workspace for Education and Online Support account for my child.
